## 9. List of Preparers

The following agencies and contracted firms prepared this report:

- Agencies
  - State of Hawaiʻi, Department of Transportation
  - Federal Highway Administration
- Firms
  - WSP USA, Inc.
  - ʻĀina Archaeology Inc.
  - HT Harvey & Associates
  - Sea Engineering, Inc.

---

### 9.1 AGENCIES

---

#### 9.1.1 State of Hawaiʻi, Department of Transportation, Highways Division

| NAME                               | RESPONSIBILITIES          | EDUCATION  | YEARS OF EXPERIENCE |
|------------------------------------|---------------------------|--|---------------------|
| <b>Genevieve Hilliard Sullivan</b> | Project Manager           | M.E.P. Environmental Policy and Management; B.S. Environmental Science | 14                  |
| <b>Pua Aiu</b>                     | Cultural Resource Manager | PhD Communication  | 20                  |
| <b>Ken Tatsuguchi</b>              | Planning Program Manager  | B.S. Civil Engineering   | 36                  |
| <b>Brian Tyau</b>                  | Technical Review          | B.S. Civil Engineering   | 31                  |

#### 9.1.2 Federal Highway Administration

| NAME                  | RESPONSIBILITIES            | EDUCATION                       | YEARS OF EXPERIENCE |
|-----------------------|-----------------------------|---------------------------------|---------------------|
| <b>Lisa Powell</b>    | Project Manager for FHWA    | B.S. Civil Engineering          | 22                  |
| <b>Meesa Otani</b>    | Environmental Engineer      | B.S. Civil Engineering          | 14                  |
| <b>Paul La Farga</b>  | Community Planner           | M.S. Planning                   | 3                   |
| <b>Richard Darden</b> | Ecology, NEPA Compliance    | PhD Biology                     | 32                  |
| <b>David Clarke</b>   | Historic Preservation, 4(f) | M.A. Anthropology/Archaeology   | 23                  |
| <b>Megan Cogburn</b>  | Environmental Justice       | M.S. City and Regional Planning | 13                  |

| NAME          | RESPONSIBILITIES                             | EDUCATION        | YEARS OF EXPERIENCE |
|---------------|--|------------------|---------------------|
| Owen Lindauer | Historic Preservation, 4(f), NEPA Compliance | PhD Anthropology | 40                  |

## 9.2 FIRMS

### 9.2.1 WSP USA Inc.

| NAME                    | RESPONSIBILITIES  | EDUCATION  | YEARS OF EXPERIENCE |
|-------------------------|---|--|---------------------|
| Jamie Bents, AICP CTP   | Project Manager/Section 4(f)  | B.S. Community and Regional Planning; M.S. Transportation          | 21                  |
| Wayne Yoshioka, P.E.    | Project Management/Transportation   | B.S. Civil Engineering   | 40                  |
| Peter Liebowitz, AICP   | EIS Lead  | M.S. Urban Planning  | 40                  |
| Gerald D. Andrade, P.E. | Civil Design Lead   | B.S. Civil Engineering   | 32                  |
| Matthew Small, AICP     | Environmental Planner   | B.F.A.   | 10                  |
| Jan Reichelderfer       | Environmental Planner   | M.S. Geology   | 30                  |
| Andrew Mitchell, AICP   | Environmental Planner   | M.S. Urban Planning; B.S. Environmental Policy                     | 9                   |
| Guy Blanchard           | Section 106 Lead/<br>Architectural Historian  | J.D. Law; Master's Historic Preservation; B.A. Art History         | 12                  |
| Matt Prybylski          | Architectural Historian   | M.H.P. Cultural Resource Management                                | 31                  |
| Stephanie Doan, P.E.    | Environmental Planner   | M.S. Civil Engineering – Structures; B.S. Civil Engineering        | 21                  |
| Philip Matsunaga        | Transportation Engineer   | B.S.E. Bioengineering  | 20                  |
| Patrick Romero          | Senior Environmental Scientist/Noise Analysis and Hazardous Materials Lead  | M.S. Environmental Policy & Management; B.S. Environmental Science | 25                  |
| Michael Lieu            | Noise Analyst   | B.S. Applied Ecology   | 22                  |
| April Ryckman           | Hazardous Materials Analyst   | B.S. Environmental Science   | 9                   |
| Elizabeth Schwing, PE   | Senior Air Quality Engineer/<br>Air Quality and Energy Lead   | B.S. Chemical Engineering  | 13                  |
| Alice Lovegrove, ENV SP | National Director - Acoustics, Vibration, Air Quality & Greenhouse Gas Group/Air Quality and Energy Senior Technical Review | M.S. Environmental and Waste Management; B.E. Engineering Science  | 34                  |
| Makanilealea Hughes     | GIS Analyst/Graphics  | B.S. Natural Resources and Environmental Management                | 1                   |

| NAME               | RESPONSIBILITIES          | EDUCATION  | YEARS OF EXPERIENCE |
|--------------------|---------------------------|--|---------------------|
| Jorge Nozot        | GIS Analyst/Graphics      |  |                     |
| Edie Sagarang      | Graphics                  | B.F.A. Fine Arts   | 39                  |
| James Sullivan     | Environmental Planner     | M.S. Urban Planning  | 4                   |
| Michael Babin      | Lead Technical Editor     | B.A.   | 33                  |
| Patrick McKittrick | Technical Editor          | B.A. Sociology/Anthropology  | 9                   |
| Joe Nortnik        | Technical Editor          | B.S.B.A. Marketing   | 30                  |
| Paul Bonaventura   | Graphic Design Group Lead | M.S. Landscape Architecture;<br>B.S. Landscape Architecture                    | 27                  |
| Rebecca Holzwarth  | Graphic Designer          |  | 28                  |
| Danielle Thomas    | Graphic Designer          | A.A.S. Graphic Design; B.A. Psychology   | 20                  |
| Ryan Weston        | Visual Impacts Analyst    | M.L.A. Landscape Architecture and Environmental Planning;<br>B.S. Horticulture | 23                  |
| Doug Villars       | Visual Impacts Analyst    | Associate Commercial Design and Graphics                                       | 34                  |
| Meagan Nakamoto    | Utilities Engineer        | B.S. Civil Engineering   | 2                   |
| Amber Weiss        | Project Support           | B.S. Natural Resources and Environmental Management                            | 1.5                 |

### 9.2.2 ʻĀina Archaeology, Inc.

| NAME            | RESPONSIBILITIES  | EDUCATION                       | YEARS OF EXPERIENCE |
|-----------------|---|---------------------------------|---------------------|
| Tanya Lee-Greig | Archaeology, Cultural Impact Assessment and Ethnographic Survey | B.A. History; M.A. Anthropology | 17                  |
| Leah Santos     | Archaeology, Cultural Impact Assessment and Ethnographic Survey | B.A. Visual Anthropology        | 19                  |
| Jennifer Mather | Archaeology, Cultural Impact Assessment and Ethnographic Survey |                                 |                     |

### 9.2.3 HT HARVEY & Associates

| NAME                 | RESPONSIBILITIES         | EDUCATION   | YEARS OF EXPERIENCE |
|----------------------|--------------------------|---|---------------------|
| Shahin Ansari, PhD   | Project Manager, Ecology | B.S. Physics, Chemistry, and Botany;<br>M.S. Botany; PhD Botany | 20                  |
| Kelly Hardwicke, PhD | Ecology                  | B.S. Biology; PhD Ecology                                       | 26                  |

| NAME               | RESPONSIBILITIES | EDUCATION                                       | YEARS OF EXPERIENCE |
|--------------------|------------------|---|---------------------|
| Scott Terrill, PhD | Ecology          | B.S. Zoology; M.S. Zoology; PhD Biology/Ecology |                     |

**9.2.4 Sea Engineering, Inc.**

| NAME         | RESPONSIBILITIES                   | EDUCATION  | YEARS OF EXPERIENCE |
|--------------|------------------------------------|--|---------------------|
| Chris Conger | Climate Change and Coastal Geology | B.S. Geology and Geophysics; MSc Coastal Geology | 31                  |
| Ian Hardy    | Project Support                    | B.S. Civil Engineering; M.S. Ocean Engineering   | 8                   |
